

25/04/09 - yahoo tancarà geocities enguany

The screenshot shows the Yahoo! Geocities homepage. At the top left is the 'YAHOO! GEOCITIES' logo. To its right, it says 'Welcome, Guest' with a '[Sign in]' link. At the top right, there is a 'Yahoo! - Help' link. The main content area is divided into two columns. The left column has a blue header with a white arrow pointing right, containing the text 'Sorry, new GeoCities accounts are no longer available.' Below this, under the heading 'Current GeoCities customers:', it states: 'After careful consideration, we have decided to close GeoCities later this year.' To the right of this text, under the heading 'Save 50% on a web site with Yahoo! Web Hosting.', there are two bullet points: '• Get a personalized web address (e.g., www.learn2yoga.com).' and '• Design a great-looking site with'. To the right of these bullet points is a small thumbnail image of a website. The right column features a blue box for 'Yahoo! Web Hosting' with a large '\$5.98 month' price tag. Below the price, it says 'For your first 3 months.\* (\$11.95 / month after)'. There are three bullet points: '• No setup fee (save \$25)\*', '• 3-month term', and '• 30-Day Satisfaction Guarantee'. At the bottom of the blue box is a yellow 'Sign Up' button.

Enguany, cap a finals d'any, geocities serà tancat definitivament per yahoo, els seus propietaris després que la comprassin al 1999 per 3.000 milions de dòlars. Les contes existents desapareixeran de la xarxa en el que serà un gran webicidi. Milions de resultats desapareixeran per sempre més del "núbol" d'Internet.

Yahoo sí que continuarà oferint altres serveis d'allotjament de pagament.
